SAN DIEGO MUSICAL THEATRE
Announces Jukebox Hero Benefit Concert Streaming April 30 - May 16, 2021

San Diego Musical Theatre is pleased to announce Jukebox Hero – a benefit concert scheduled to stream April 30 - May 16, 2021 – and feature broadway's favorite jukebox musicals including the iconic music of Buddy Holly, The Glen Miller Band, Rock of Ages and more.

Follow Shirley Johnston's wild and soulful journey through Swing 39 in this cover to a musician who goes from a small town girl to crooner in this original jukebox musical revue. The story goes full circle with a cast of talented musicians including Bella Fernandez, Jennifer Hadley, Lucas Hanzlik, Jacob Kaiser, Kaiser Dunsmoor, Nat Cary, Shirley Johnston and Bryce Rodgers.

"Jukebox Hero is a spirit and a celebration, where it will have the storytelling audience jumping to their feet to dance and sing along," said Jill Townsend, SDMT Artistic Director. "It is a concept with a million possibilities to keep people in their seats during a live stream while providing much needed funds to help SDMT get a head start on a season of returning to the Horton Grand Theatre very soon!"

"We are proud to support the Jukebox Hero concert streaming at the SDMT's recommended safety protocols," said Eric Lewis, SDMT Producer. "Additionally, at least mandatory social distancing measures of time of filming have not been able to safely create a more traditional performance."

"The filming Jukebox Hero in front of a live audience was absolutely exhilarating," said Shirley Johnston. "To work with these amazing fellow artists and be inspired by the audience was truly second best to being back on the stage for a San Diego Musical Theatre's Broadway musical production!"

Visit http://sdmusicaltheatre.com/ on April 30th or after to purchase tickets to a mandatory
