

San Diego musical theater continues it's 2019 season with an uplifting and miraculous musical comedy, *Sister Act*. For those of you that missed the 1992 movie from which this musical is created now is the time to redeem yourself.

*Sister Act* tells the story of a wanna be diva Deloris whose life takes an unexpected turn when she witnesses a terrible crime. She is placed in a witness protection program for her safety in the most unlikely of places - a convent. Deloris is renamed Sister Mary Clarence and under the watchful eye of mother superior, takes over the lack luster choir where she breathes unexpected new life into it with her 70 style disco and has the "celibate nuns shaking their buns"! Through music, this diva helps her fellow sisters find their voices as well as her own along the way.

The book is written by Bill and Cheri SteinKellner, the married duo most known for their work on *Cheers* and the music by Alan Menken known for his work with Disney as well as the stage hit, *Little Shop of Horrors*. Together with Glenn Slater's clever lyrics the songs have a heavenly ring with bounce and appeal.

On the creative side SDMT is thrilled to bring back award winning Larry Raben as
