Paul David Bryant-Director, Producer, Singer, Dancer, Actor, Choreographer, has been in the entertainment industry for over 40 years. He has worked from *Ragtime* on Broadway (Vacation Swing) and the first and second national tours (Harlem, Male Swing) to Australia and Japan, and all countries in between. Paul has worked in many different aspects of the theatre, even at theme parks, Disney and Universal, but mostly as a director and a mentor of young people who are interested in pursuing Musical Theatre. Paul has had the enormous pleasure of sharing his many talents while working for the Monrovia, and Long Beach Unified school district, under the direction of Patrick Garcia, and Paul Garmen at Musical Theatre West. Paul has also participated in many theatre classes and workshops prior to the performances at Taylor Performing Arts Center, and the Carpenter Center for the Long Beach outreach program. Paul, an alum of the Walt Disney Performing Arts, while there as a Creative Show Director, has directed and taught and coached new performers through the world famous DPA program. Paul is very excited to participate in this Musical Theatre summer camp, alongside his pals, and theatre family here at SDMT. Paul has directed and choreographed *Ragtime* and choreographed *The Full Monty* for SDMT. Last, but not least, he is too excited to finally get to work beside Robert and not watch Robert work from the stage. "Let's get to it!"
