Callbacks will be held on **Sunday, April 2 at our SDMT Studio** located at 4650 Mercury Street, San Diego 92111 by invitation only.

Please familiarize yourself with all of the sides for the role or roles you are being called back for. I will let you know once we have tracks available for you to practice with that we will use at the callback.

If this callback is the first time we are seeing you, please bring one headshot/resume with you and arrive at least 15 minutes early to fill out your audition form. If we saw you at the audition, we will have your headshot/resume so no need to bring another one.

For those of you who cannot attend the callback, please send a reminder email to me at jill@sdmt.org so I am sure to keep track of that you will be doing a video submission.

Thank you and we look forward to playing soon! 🎭🎤
